

CHRONOS • E-55 Series

**Bagging Scale
with Belt Feeder**

Bagging scale with Belt Feeder

UP TO 35 BPM*

*Up to 35 BPM (duplex configuration), Up to 20 BPM (simplex configuration)

Usability

Provides great cleaning access, perfect for dry and wet animal feed.

Performance

The load cell arrangement, the optimized weighing bucket geometry and a state-of-the-art weight controller allow to reach impressive productivity.

Reliable

Features a simple and rugged design in order to ensure years of accurate and trouble-free operation.

**Designed and recognized
by the industry to handle non
free-flowing products.**

Bulk materials

Pellet

Granular

REQUEST A QUOTE >

Typical Equipment Dimensions

Accuracy

Up to +/- 1.4 oz (40 g) @ 2 sigma

Weight range

5 to 110 lb (2.5 to 50 kg)

Weigh hopper size

2.3 ft³, 3.0 ft³ and 3.7 ft (65, 85 and 105 L)

Operating pressure

70-90 PSI

Electrical Requirements

460 VAC, 3 phases, 60Hz

Features

Compact design (no duplex configuration needed with high speed option)

Lower cost for high output with high speed option

Contact parts in SS304

High hygienic standards

Great cleaning access

Options

High speed version

Duplex configuration

Automatic calibration check

Data collector for PC

Feed hopper and support structure

Many more

Model for wet feed

Lifetime

Client Solutions

Premier Tech Client Solutions take a personalized approach to **lifecycle management**, creating enhanced solutions customized to your specific needs that develop your own capabilities and operational habits, and help you achieve and maintain productivity.

The Client Solutions' passionate team acts as a **partner** by maintaining constant collaboration and putting your interests at the heart of daily decisions throughout your equipment's lifecycle.

Our programs are designed to help you reach your highest **Overall Equipment Effectiveness (OEE)** and maximize your **Return on Investment (ROI)** by providing you with the most valuable lifecycle services in the industry focusing on critical areas such as **24/7 technical support, spare parts, field service, training, system assessments and optimization.**
